

BOILER AND PRESSURE VESSEL INSURANCE

Boiler and pressure vessel insurance offers cover for damage (other than fire) to boilers and pressure vessel caused due to their explosion or collapse whilst in the course of ordinary working.

THE FOLLOWING SPECIAL CONDITIONS USUALLY APPLY

- › Inspection at specified intervals.
- › Operation by competent boiler attendant.
- › Maximum pressure or load should not be exceeded.

OPTIONAL EXTENSIONS

- › Overtime and express freight.
- › Airfreight.
- › Owner's Surrounding Property up to limit agreed.
- › Third Party Liability up to limit agreed.

MAJOR EXCLUSIONS

- › Wear and tear.
- › Willful act or neglect.
- › Loss due to stoppage of work.
- › Natural perils.
- › War, similar perils and terrorism.
- › Nuclear risks.
- › Any tests exceeding the maximum pressure permitted by the inspecting authorities.
