

PLATE GLASS INSURANCE

Plate Glass insurance policy covers accidental breakage of glass at the insured premises.

It covers fixed plain glass and mirrors at the premises of the Insured. It excludes painting, tinting, embossing or ornamental works on the glass, frames and framework unless specified in the policy.

The policy is ideal for businesses that install plate glass to enhance their visual appeal like showrooms, restaurants etc.

OPTIONAL EXTENSIONS

- › Embossing or ornamental works on the glass.
- › Frames and framework.

MAJOR EXCLUSIONS

- › Fire, explosion, earthquake.
- › War, similar perils, nuclear risks and terrorism.
- › Willful act or negligence.
- › Breakage during removal or alteration to premises.
- › Interruptions, delays or consequential losses.
- › Cracked or imperfect glass.
- › Disfiguration or damage other than fracture extending through the entire thickness of the glass.
- › Cost of removal or replacement of any fittings or fixtures to replace the glass.
